Index for volume 99

Author index

A

Abdul-Rasool (*see* Wackym and Abdul-Rasool). 1988;99:607 (Letter)
Ackley RS (*see* Arenberg et al). 1988;99:435-43
Applebaum EL (*see* Kumar et al). 1988;99:444-54
Arata A (*see* Kanzaki et al). 1988;99:424-6 (Case rep.)
Arenberg IK, Ackley RS, Ferraro J, Muchnik C. ECoG results in perilymphatic fistula: clinical and experimental studies. 1988;99: 435-43
Arriaga MA, Myers EN. Ectopic thyroid in the retroesophageal superior mediastinum. 1988;99:338-40 (Case rep.)
Atkins JP Jr (*see* Roa et al). 1988;99:601-3 (Case rep.)
Atkins JS Jr (*see* West and Atkins). 1988;99:528-30 (Case rep.)

B

Balm AJM (*see* Henzen-Logmans et al). 1988;99:539-47
Barrs DM (*see* Garner et al). 1988;99:326-9 (Case rep.)
Bartels LJ, Gurucharri M. Pediatric glomus tumors. 1988;99:392-5
Barton D, DeSanto L, Pearson BW, Keith R. An endostomal tracheostomy tube for leakproof retention of the Blom-Singer stomal valve. 1988;99:38-41
Bernard PJ, Som PM, Urken ML, Lawson W, Biller HF. The CT findings of acute thyroiditis and acute suppurative thyroiditis. 1988;99:489-93
Biller HF (*see* Bernard et al). 1988;99:489-93
—— (*see* Choi et al). 1988;99:414-8 (Case rep.)
—— (*see* Pearlman et al). 1988;99:509-12 (Case rep.)
Blanks RHI (*see* Wikholm et al). 1988;99:353-61
Bless DM (*see* Ford and Bless). 1988;99:431-2 (Letter reply)
Bontempo FA (*see* De Vries et al). 1988;99:59-62 (Case rep.)
Bottone EJ (*see* Choi et al). 1988;99:414-8 (Case rep.)
Boyko EJ (*see* Rosendale et al). 1988;99:334-7 (Case rep.)
Boyles JH Jr (*see* King et al). 1988;99:263-71
—— (*see* King et al). 1988;99:272-7
Brackmann DE (*see* Monsell et al) 1988;99:472-9
Buchanan JA, Krolls SO, Sneed WF, Wetzel WJ. Oncocytoma in the nasal vestibule. 1988;99:63-5 (Case rep.)
Bumsted RM (*see* Crockett et al). 1988;99:1-9
Burk RD (*see* Lee et al). 1988;99:296-301
Burns DK (*see* Close et al). 1988;99:286-95

C

Calhoun KH, Peters BR, Stiernberg CM, Quinn FB. Magnet extraction of frontal sinus foreign body. 1988;99:76-8 (Case rep.)
Carey TE (*see* Sprik et al). 1988;99:28-37
Carter TE (*see* Garner et al). 1988;99:326-9 (Case rep.)
Cervin A (*see* Lindberg et al). 1988;99:401-7
Cheng EY, Chow JM, Reisberg DJ. Restoration of the mandible and condylar head. 1988;99:513-9 (Case rep.)
Cho H (*see* Nash et al). 1988;99:590-3 (Case rep.)
Choi SS, Lawson W, Bottone EJ, Biller HF. Cryptococcal sinusitis: a case report and review of literature. 1988;99:414-8 (Case rep.)
Chow JM (*see* Cheng et al). 1988;99:513-9 (Case rep.)
Christiansen D (*see* Glasgold et al). 1988;99:374-9
Clarke AM (*see* Dunlap et al). 1988;99:389-91
Close LG, Merkel M, Reisch J, Burns DK, Schaefer SD. Silent supraglottic carcinoma. 1988;99:286-95
Cohen J (*see* Nash et al). 1988;99:590-3 (Case rep.)
Conley JJ. Problems with reoperation of the parotid gland and facial nerve. 1988;99:480-8
Crockett DM, Bumsted RM, Van Demark DR. Experience with surgical management of velopharyngeal incompetence. 1988;99:1-9
—— (*see* Matt and Crockett). 1988;99:330-3 (Case rep.)
Cunnane MF (*see* Roa et al). 1988;99:601-3 (Case rep.)

D

Davidson J, Gullane P. Glomus vagale tumors. 1988;99:66-70 (Case rep.)
DeFilipp GJ, Steffey D, Rubinstein M, Drake A, Koopmann C. The role of angiography and embolization in the management of recurrent epistaxis. 1988;99:597-600 (Case rep.)
Derkay CS. Eustachian tube and nasal function during pregnancy: a prospective study. 1988;99:558-66
DeSanto L (*see* Barton et al). 1988;99:38-41
De Vries EJ, Kapadia SB, Johnson JT, Bontempo FA. Salivary gland lymphoproliferative disease in acquired immune disease. 1988;99: 59-62 (Case rep.)
DiBartolomeo JR, Yee RD. Periodic alternating nystagmus. 1988;99: 552-7
Dick GO (*see* Granick et al). 1988;99:427-9
Dickins JRE (*see* Jackson et al). 1988;99:282-5
Dillon WP (*see* Jackler and Dillon). 1988;99:494-504
Dimitrov EA (*see* Jackson et al). 1988;99:282-5
Dobie RA (*see* Flint et al). 1988;99:380-8
Dobleman TJ (*see* Gruber et al). 1988;99:578-83
Drake A (*see* DeFilipp et al). 1988;99:597-600 (Case rep.)
Duckert LG (*see* Flint et al). 1988;99:380-8
Dunlap SA, Lenhardt ML, Clarke AM. Human skull vibratory patterns in audiometric and supersonic ranges. 1988;99:389-91

E

England K (*see* McNicoll et al). 1988;99:50-4 (Case rep.)
Everts EC (*see* Hoffmann et al). 1988;99:309-14

F

Facer GW (*see* Rose et al). 1988;99:42-5
Fadal RG (*see* King et al). 1988;99:263-71
—— (*see* King et al). 1988;99:272-7
Ferraro J (*see* Arenberg et al). 1988;99:435-43
Ferraro JA (*see* Wazen et al). 1988;99:348-50 (Drug/device)
Flint P, Duckert LG, Dobie RA, Rubel EW. Chronic perilymphatic fistula: experimental model in the guinea pig. 1988;99:380-8

July, pp. 1-86; August, pp. 87-262; September, pp. 263-352; October, pp. 353-434; November, pp. 435-538; December, pp. 539-624.

Ford CN, Bless DM. Analysis does not support claimed effectiveness of collagen injection procedure. 1988;99:431-2 (Letter reply)
Fradis M (*see* Podoshin et al). 1988;99:278-81
Frank TW (*see* Stephenson et al). 1988;99:524-7 (Case rep.)
Frankenthaler R (*see* Weber et al). 1988;99:567-73
Friedman WH (*see* Kielmovitch and Friedman). 1988;99:548-51
—— (*see* Maas et al). 1988;99:594-6 (Case rep.)
Fritsch MH (*see* Jackson et al). 1988;99:282-5
Fujimoto M (*see* Kanzaki et al). 1988;99:424-6 (Case rep.)

Subject index

A

Abscess
Lingual abscess presenting as airway obstruction in the infant (Sanders et al). 1988;99:344-5 (Case rep.)
Acoustic impedance tests
Clinical evaluation of a portable, cordless, hand-held middle ear analyzer (Wazen et al). 1988;99:348-50 (Drug/device)
Acoustic tumors; *see* **Ear neoplasms**
Acquired immunodeficiency syndrome
Salivary gland lymphoproliferative disease in acquired immune disease (De Vries et al). 1988;99:59-62 (Case rep.)
Adenocarcinoma, papillary
Papillary adenocarcinoma of the larynx: a case report (Roa et al). 1988;99:601-3 (Case rep.)
Adenoma
Metastasizing pleomorphic adenoma arising in the soft palate (Wermuth et al). 1988;99:505-8 (Case rep.)
Oncocytoma in the nasal vestibule (Buchanan et al). 1988;99: 63-5 (Case rep.)
Administration, cutaneous
Provocation-neutralization: a two-part study. Part I: the intracutaneous provocative food test—a multi-center comparison study (King et al). 1988;99:263-71
AIDS; *see* **Acquired immunodeficiency syndrome**
Airway obstruction
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)
Lingual abscess presenting as airway obstruction in the infant (Sanders et al). 1988;99:344-5 (Case rep.)
Obstructive sleep apnea, continuous positive airway pressure, and surgery (Powell et al). 1988;99:362-9
So-called hairy polyp resembling an auricle (Kanzaki et al). 1988;99:424-6 (Case rep.)
Alcide
Mechanical properties of septal cartilage homografts (Glasgold et al). 1988;99:374-9
Alligator forceps
Modification of horizontal jaws of alligator forceps (Haberman). 1988;99:346-7 (Drug/device)
Anatomic models; *see* **Models, anatomic**
Angiography
Detachable angiographic balloon catheter in skull base surgery (Miyamoto et al). 1988;99:46-9 (Case rep.)
The role of angiography and embolization in the management of recurrent epistaxis (DeFilipp et al). 1988;99:597-600 (Case rep.)
Antidromic potentials; *see* **Evoked potentials**
Antigens
The expression of intermediate filaments and MAM-6 antigen in relation to the degree of morphologic differentiation of carcinoma of the head and neck: diagnostic implications (Henzen-Logmans et al). 1988;99:539-47

July, pp. 1-86; August, pp. 87-262; September, pp. 263-352; October, pp. 353-434; November, pp. 435-538; December, pp. 539-624.

Antineoplastic agents
Implantable venous access device: use in patients with advanced head and neck cancer (Gruber et al). 1988;99:578-83
Apparatus and instruments; *see* **Equipment and supplies**
Aspiration, mechanical; *see* **Suction**
Audiometry
Human skull vibratory patterns in audiometric and supersonic ranges (Dunlap et al). 1988;99:389-91
Audiometry, evoked response
ECoG results in perilymphatic fistula: clinical and experimental studies (Arenberg et al). 1988;99:435-43
Auditory perceptual disorders
Vibrotactile device in patients with single-channel cochlear implant: a preliminary study (Rose et al). 1988;99:42-5
Autograft; *see* **Transplantation, autologous**

B

Balloon dilatation
Detachable angiographic balloon catheter in skull base surgery (Miyamoto et al). 1988;99:46-9 (Case rep.)
Bell's palsy; *see* **Facial paralysis**
Bone conduction
Human skull vibratory patterns in audiometric and supersonic ranges (Dunlap et al). 1988;99:389-91
Book reviews
Book reviews. 1988;99:531-4
Bowel; *see* **Intestines**
Breast neoplasms
Breast cancer with a pectoralis major myocutaneous flap (Maas et al). 1988;99:594-6 (Case rep.)
Bronchoscopy
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)

C

Carbon
Carbon-carbon middle ear prosthesis: a preliminary clinical human trial report (Podoshin et al). 1988;99:278-81
Carcinoma; *see also* **Carcinoma, papillary; Carcinoma, squamous cell**
Is chronic gastroesophageal reflux a causative factor in glottic carcinoma? (Morrison). 1988;99:370-3
The expression of intermediate filaments and MAM-6 antigen in relation to the degree of morphologic differentiation of carcinoma of the head and neck: diagnostic implications (Henzen-Logmans et al). 1988;99:539-47
Mucoepidermoid carcinoma of the maxillary sinus (Simpson et al). 1988;99:419-23 (Case rep.)
Occult medullary carcinoma of the thyroid presenting as neck and parapharyngeal metastases (Pearlman et al). 1988;99:509-12 (Case rep.)
Carcinoma, papillary
Papillary carcinoma arising in a thyroglossal duct cyst (McNicoll et al). 1988;99:50-4 (Case rep.)

Carcinoma, squamous cell
Deep spread patterns in CT staging of T_{2-4} squamous cell laryngeal carcinoma (Isaacs et al). 1988;99:455-64
Effect of epidermal growth factor (EGF) on a newly established head and neck squamous carcinoma cell line (Weber et al). 1988;99:567-73
Head and neck squamous cell carcinomas associated with human papillomaviruses and an increased incidence of cervical pathology (Lee et al). 1988;99:296-301
In vitro photosensitization of human head and neck squamous cancer cells by dihematoporphyrin-ether (Sprik et al). 1988;99:28-37
Silent supraglottic carcinoma (Close et al). 1988;99:286-95
Squamous cell carcinoma of the lacrimal sac (Stephenson et al). 1988;99:524-7 (Case rep.)
Squamous cell carcinoma of the soft palate, uvula, and anterior faucial pillar (Weber et al). 1988;99:16-23
Cartilage, transplantation
Mechanical properties of septal cartilage homografts (Glasgold et al). 1988;99:374-9
Case reports
Case reports. 1988;99:46-78, 326-45, 414-29, 505-30, 590-606
Cavitron Ultrasonic Aspirator
Use of the CUSA in removal of a recurrent intraorbital mucocele (Gillespie et al). 1988;99:71-2 (Case rep.)
Cerebellopontile angle
Intracranial and intratemporal meningiomas with primary otologic symptoms (Kumar et al). 1988;99:444-54
Cerebellum, abnormalities
ENG-MRI correlates in cerebellar oculomotor dysfunction (Hamid et al). 1988;99:302-8
Cervical neoplasms; *see* **Genital neoplasms, female**
Choristoma
Choristomas of the intraoral soft tissues (West and Atkins). 1988;99:528-30 (Case rep.)
Ectopic thyroid in the retroesophageal superior mediastinum (Arriaga and Myers). 1988;99:338-40 (Case rep.)
Salivary choristomas in the neck (Nash et al). 1988;99:590-3 (Case rep.)
Cochlear implant
Vibrotactile device in patients with single-channel cochlear implant: a preliminary study (Rose et al). 1988;99:42-5
Colon, transplantation
Free bowel autografts in pharyngoesophageal reconstruction: colon revisited (Modica and Thur de Koos). 1988;99:73-5 (Case rep.)
Continuous positive airway pressure; *see* **Positive pressure respiration**
Cranium; *see* **Skull**
Cryptococcus neoformans
Cryptococcal sinusitis: a case report and review of literature (Choi et al). 1988;99:414-8 (Case rep.)

D

Deafness, sensorineural; *see* **Hearing loss, sensorineural**
Deglutition
Laryngeal reflex mechanism during deglutition—observation of subglottal pressure and afferent discharge (Shin et al). 1988;99:465-71
Denver inner ear shunt
Endolymphatic mastoid shunt surgery using the Denver inner ear shunt (Jackson et al). 1988;99:282-5
Dihematoporphyrin-ether
In vitro photosensitization of human head and neck squamous cancer cells by dihematoporphyrin-ether (Sprik et al). 1988;99:28-37
Disease models, animal
Chronic perilymphatic fistula: experimental model in the guinea pig (Flint et al). 1988;99:380-8
Disposable equipment
Disposable inner cannula tracheotomy tube: a prospective clinical trial (Johnson et al). 1988;99:83-4 (Drug/device)
Drainage
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)
Drug/device capsules
Drug/device capsules. 1988;99:79-84, 346-50

E

Ear, internal; *see* **Labyrinth**
Ear, middle
Clinical evaluation of a portable, cordless, hand-held middle ear analyzer (Wazen et al). 1988;99:348-50 (Drug/device)
Complications of translabyrinthine vs. suboccipital approach for acoustic tumor surgery (Mangham). 1988;99:396-400
Pediatric glomus tumors (Bartels and Gurucharri). 1988;99:392-5
Ear neoplasms
Complications of translabyrinthine vs. suboccipital approach for acoustic tumor surgery (Mangham). 1988;99:396-400
Ectopic tissue; *see* **Choristoma**
Electrocochleography; *see* **Audiometry, evoked response**
Electronystagmography
ENG-MRI correlates in cerebellar oculomotor dysfunction (Hamid et al). 1988;99:302-8
Embolization, therapeutic
The role of angiography and embolization in the management of recurrent epistaxis (DeFilipp et al). 1988;99:597-600 (Case rep.)
Endolymphatic shunt
Endolymphatic mastoid shunt surgery using the Denver inner ear shunt (Jackson et al). 1988;99:282-5
Management of vertigo in patients with syphilis: Is endolymphatic shunt surgery appropriate? (Shih et al). 1988;99:574-7
Epidermal growth factor
Effect of epidermal growth factor (EGF) on a newly established head and neck squamous carcinoma cell line (Weber et al). 1988;99:567-73
Epistaxis
The role of angiography and embolization in the management of recurrent epistaxis (DeFilipp et al). 1988;99:597-600 (Case rep.)
Equipment and supplies
Clinical evaluation of a portable, cordless, hand-held middle ear analyzer (Wazen et al). 1988;99:348-50 (Drug/device)
Disposable inner cannula tracheotomy tube: a prospective clinical trial (Johnson et al). 1988;99:83-4 (Drug/device)
Implantable venous access device: use in patients with advanced head and neck cancer (Gruber et al). 1988;99:578-83
Modification of horizontal jaws of alligator forceps (Haberman). 1988;99:346-7 (Drug/device)
New pneumatic adapter for a battery-powered otoscope (Zusho). 1988;99:79-80 (Drug/device)

Esophagus, surgery
Free bowel autografts in pharyngoesophageal reconstruction: colon revisited (Modica and Thur de Koos). 1988;99:73-5 (Case rep.)
Eustachian tube
Eustachian tube and nasal function during pregnancy: a prospective study (Derkay). 1988;99:558-66
Evoked potentials
Facial nerve antidromic recordings in patients with Bell's palsy (Herzon and Zealear). 1988;99:584-9
Eye movements, abnormalities
ENG-MRI correlates in cerebellar oculomotor dysfunction (Hamid et al). 1988;99:302-8
Periodic alternating nystagmus (DiBartolomeo and Yee). 1988;99:552-7

F

Facial nerve, surgery
Problems with reoperation of the parotid gland and facial nerve (Conley). 1988;99:480-8
Facial nerve diseases
Facial nerve antidromic recordings in patients with Bell's palsy (Herzon and Zealear). 1988;99:584-9
Facial paralysis
Facial nerve antidromic recordings in patients with Bell's palsy (Herzon and Zealear). 1988;99:584-9
Fat necrosis
Subcutaneous fat necrosis in infancy (Lusk and Greiman). 1988;99:520-3 (Case rep.)
Fistula
Chronic perilymphatic fistula: experimental model in the guinea pig (Flint et al). 1988;99:380-8
ECoG results in perilymphatic fistula: clinical and experimental studies (Arenberg et al). 1988;99:435-43
Flaps; *see* **Surgical flaps**
Food hypersensitivity
Provocation-neutralization: a two-part study. Part I: the intracutaneous provocative food test—a multi-center comparison study (King et al). 1988;99:263-71
Provocation-neutralization: a two-part study. Part II: subcutaneous neutralization therapy—a multi-center study (King et al). 1988;99:272-7
Foreign bodies
Magnet extraction of frontal sinus foreign body (Calhoun et al). 1988;99:76-8 (Case rep.)
Frontal sinus, injuries
Magnet extraction of frontal sinus foreign body (Calhoun et al). 1988;99:76-8 (Case rep.)

G

Gastroesophageal reflux
Is chronic gastroesophageal reflux a causative factor in glottic carcinoma? (Morrison). 1988;99:370-3
Genital neoplasms, female
Head and neck squamous cell carcinomas associated with human papillomaviruses and an increased incidence of cervical pathology (Lee et al). 1988;99:296-301
Glomus jugulare tumor
Pediatric glomus tumors (Bartels and Gurucharri). 1988;99:392-5
Glomus vagale tumor
Glomus vagale tumors (Davidson and Gullane). 1988;99:66-70 (Case rep.)
Glottis
Is chronic gastroesophageal reflux a causative factor in glottic carcinoma? (Morrison). 1988;99:370-3
Laryngeal reflex mechanism during deglutition—observation of subglottal pressure and afferent discharge (Shin et al). 1988;99:465-71

H

Head and neck neoplasms, diagnosis
The expression of intermediate filaments and MAM-6 antigen in relation to the degree of morphologic differentiation of carcinoma of the head and neck: diagnostic implications (Henzen-Logmans et al). 1988;99:539-47
Multiple keratoacanthomas involving the head and neck (Stewart et al). 1988;99:55-8 (Case rep.)
Salivary choristomas in the neck (Nash et al). 1988;99:590-3 (Case rep.)
Head and neck neoplasms, microbiology
Head and neck squamous cell carcinomas associated with human papillomaviruses and an increased incidence of cervical pathology (Lee et al). 1988;99:296-301
Head and neck neoplasms, radiotherapy
Malignant nerve sheath tumors of the head and neck (Hoffmann et al). 1988;99:309-14
Head and neck neoplasms, surgery
Glomus vagale tumors (Davidson and Gullane). 1988;99:66-70 (Case rep.)
Malignant nerve sheath tumors of the head and neck (Hoffmann et al). 1988;99:309-14
Occult medullary carcinoma of the thyroid presenting as neck and parapharyngeal metastases (Pearlman et al). 1988;99:509-12 (Case rep.)
Head and neck neoplasms, therapy
Effect of epidermal growth factor (EGF) on a newly established head and neck squamous carcinoma cell line (Weber et al). 1988;99:567-73
Implantable venous access device: use in patients with advanced head and neck cancer (Gruber et al). 1988;99:578-83
In vitro photosensitization of human head and neck squamous cancer cells by dihematoporphyrin-ether (Sprik et al). 1988;99:28-37
Hearing aids
Vibrotactile device in patients with single-channel cochlear implant: a preliminary study (Rose et al). 1988;99:42-5
Hearing loss, sensorineural
Unilateral sensorineural deafness in children (Kielmovitch and Friedman). 1988;99:548-51
Hormones, therapeutic use
Primary tissue cultures of benign and malignant human thyroid tumors: effect of TSH (Komlos et al). 1988;99:10-5
Hypersensitivity
Provocation-neutralization: a two-part study. Part I: the intracutaneous provocative food test—a multi-center comparison study (King et al). 1988;99:263-71
Provocation-neutralization: a two-part study. Part II: subcutaneous neutralization therapy—a multi-center study (King et al). 1988;99:272-7

Hypertension
Perilymphatic hypertension (Paparella et al). 1988;99:408-13

I

Immunocompetence
Nocardia asteroides cervical osteomyelitis in an immunocompetent host (Rosendale et al). 1988;99:334-7 (Case rep.)
Primary Kaposi's of an intraparotid lymph node in a non-immunocompromised patient (Josephson et al). 1988;99:341-3 (Case rep.)
Implant, middle ear; *see* **Ossicular replacement prosthesis**
Implants, artificial
Implantable venous access device: use in patients with advanced head and neck cancer (Gruber et al). 1988;99:578-83
Infant
Lingual abscess presenting as airway obstruction in the infant (Sanders et al). 1988;99:344-5 (Case rep.)
Plunging ranula in an infant (Matt and Crockett). 1988;99:330-3 (Case rep.)
Infant, newborn
So-called hairy polyp resembling an auricle (Kanzaki et al). 1988;99:424-6 (Case rep.)
Subcutaneous fat necrosis in infancy (Lusk and Greiman). 1988;99:520-3 (Case rep.)
Infratemporal fossa; *see* **Temporal bone**
Injections, subcutaneous
Provocation-neutralization: a two-part study. Part II: subcutaneous neutralization therapy—a multi-center study (King et al). 1988;99:272-7
Intermediate filaments
The expression of intermediate filaments and MAM-6 antigen in relation to the degree of morphologic differentiation of carcinoma of the head and neck: diagnostic implications (Henzen-Logmans et al). 1988;99:539-47
Intestines, transplantation
Free bowel autografts in pharyngoesophageal reconstruction: colon revisited (Modica and Thur de Koos). 1988;99:73-5 (Case rep.)
Intracutaneous administration; *see* **Administration, cutaneous**

K

Kaposi's sarcoma; *see* **Sarcoma, Kaposi's**
Keratoacanthoma
Multiple keratoacanthomas involving the head and neck (Stewart et al). 1988;99:55-8 (Case rep.)

L

Labyrinth, abnormalities
ECoG results in perilymphatic fistula: clinical and experimental studies (Arenberg et al). 1988;99:435-43
Labyrinth, injuries
Why do vestibular destructive procedures sometimes fail? (Monsell et al). 1988;99:472-9
Labyrinth, radiography
Computed tomography and magnetic resonance imaging of the inner ear (Jackler and Dillon). 1988;99:494-504
Lacrimal apparatus, pathology
Squamous cell carcinoma of the lacrimal sac (Stephenson et al). 1988;99:524-7 (Case rep.)
Laryngeal neoplasms
Deep spread patterns in CT staging of T_{2-4} squamous cell laryngeal carcinoma (Isaacs et al). 1988;99:455-64
Is chronic gastroesophageal reflux a causative factor in glottic carcinoma? (Morrison). 1988;99:370-3
Papillary adenocarcinoma of the larynx: a case report (Roa et al). 1988;99:601-3 (Case rep.)
Silent supraglottic carcinoma (Close et al). 1988;99:286-95
Laryngeal reflex; *see* **Reflex**
Larynx, artificial
An endostomal tracheostomy tube for leakproof retention of the Blom-Singer stomal valve (Barton et al). 1988;99:38-41
Larynx, physiology
Laryngeal reflex mechanism during deglutition—observation of subglottal pressure and afferent discharge (Shin et al). 1988;99:465-71
Latissimus dorsi myocutaneous flap; *see* **Surgical flaps**
Letters
Analysis does not support claimed effectiveness of collagen injection procedure (Gleason) (Letter); (Ford and Bless) (Reply); (Pearson) (Editor's comment). 1988;99:430-2
Oral dantrolene sodium for tonsillectomy pain: a double-blind study (Wackym and Abdul-Rasool) (Letter); Salassa (Reply). 1988;99:607.
Lymph nodes
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)
Primary Kaposi's of an intraparotid lymph node in a non-immunocompromised patient (Josephson et al). 1988;99:341-3 (Case rep.)
Lymphatic system
Chronic perilymphatic fistula: experimental model in the guinea pig (Flint et al). 1988;99:380-8
Perilymphatic hypertension (Paparella et al). 1988;99:408-13
Lymphoproliferative disorders
Salivary gland lymphoproliferative disease in acquired immune disease (De Vries et al). 1988;99:59-62 (Case rep.)

M

Magnetic resonance imaging
Computed tomography and magnetic resonance imaging of the inner ear (Jackler and Dillon). 1988;99:494-504
ENG-MRI correlates in cerebellar oculomotor dysfunction (Hamid et al). 1988;99:302-8
Magnetics
Magnet extraction of frontal sinus foreign body (Calhoun et al). 1988;99:76-8 (Case rep.)
Mandible
Restoration of the mandible and condylar head (Cheng et al). 1988;99:513-9 (Case rep.)
Mandibular condyle
Restoration of the mandible and condylar head (Cheng et al). 1988;99:513-9 (Case rep.)
Mastoid
Endolymphatic mastoid shunt surgery using the Denver inner ear shunt (Jackson et al). 1988;99:282-5
Maxillary sinus
Mucoepidermoid carcinoma of the maxillary sinus (Simpson et al). 1988;99:419-23 (Case rep.)
VIP potentiates cholinergic effects on the mucociliary system in the maxillary sinus (Lindberg et al). 1988;99:401-7

Mediastinum
Ectopic thyroid in the retroesophageal superior mediastinum (Arriaga and Myers). 1988;99:338-40 (Case rep.)
Medullary carcinoma; *see* **Carcinoma**
Meniere's disease
Endolymphatic mastoid shunt surgery using the Denver inner ear shunt (Jackson et al). 1988;99:282-5
Meningioma
Intracranial and intratemporal meningiomas with primary otologic symptoms (Kumar et al). 1988;99:444-54
Merthiolate
Mechanical properties of septal cartilage homografts (Glasgold et al). 1988;99:374-9
Microscopy
Why do vestibular destructive procedures sometimes fail? (Monsell et al). 1988;99:472-9
Middle ear; *see* **Ear, middle**
Middle ear implant; *see* **Ossicular replacement prosthesis**
Models, anatomic
Chronic perilymphatic fistula: experimental model in the guinea pig (Flint et al). 1988;99:380-8
Repair of severed peripheral nerve: a superior anatomic and functional recovery with a new "reconnection" technique (Wikholm et al). 1988;99:353-61
Mouth neoplasms
A method of closure after resection of anterior floor of mouth cancers (Weissler et al). 1988;99:315-20
Plunging ranula in an infant (Matt and Crockett). 1988;99:330-3 (Case rep.)
Mucocele
Use of the CUSA in removal of a recurrent intraorbital mucocele (Gillespie et al). 1988;99:71-2 (Case rep.)
Mucociliary clearance
VIP potentiates cholinergic effects on the mucociliary system in the maxillary sinus (Lindberg et al). 1988;99:401-7
Mucoepidermoid carcinoma; *see* **Carcinoma**

N

Nasal septum, pathology
Oncocytoma in the nasal vestibule (Buchanan et al). 1988;99:63-5 (Case rep.)
Nasal septum, surgery
Mechanical properties of septal cartilage homografts (Glasgold et al). 1988;99:374-9
Nasopharynx
The lateral facial approach to the nasopharynx and infratemporal fossa (Gates). 1988;99:321-5
Neck, pathology
Nocardia asteroides cervical osteomyelitis in an immunocompetent host (Rosendale et al). 1988;99:334-7 (Case rep.)
Neck neoplasms; *see* **Head and neck neoplasms**
Neoplasm metastasis
Metastasizing pleomorphic adenoma arising in the soft palate (Wermuth et al). 1988;99:505-8 (Case rep.)
Occult medullary carcinoma of the thyroid presenting as neck and parapharyngeal metastases (Pearlman et al). 1988;99:509-12 (Case rep.)
Neoplasm staging
Deep spread patterns in CT staging of T_{2-4} squamous cell laryngeal carcinoma (Isaacs et al). 1988;99:455-64
Neoplasms, radiation-induced
Radiation-induced sarcoma of the skull: a case report (Garner et al). 1988;99:326-9 (Case rep.)
Neoplastic cells, cultured; *see* **Tumor cells, cultured**
Nervous system neoplasms
Malignant nerve sheath tumors of the head and neck (Hoffmann et al). 1988;99:309-14
Neuroanatomy
Repair of severed peripheral nerve: a superior anatomic and functional recovery with a new "reconnection" technique (Wikholm et al). 1988;99:353-61
Neuropeptides
VIP potentiates cholinergic effects on the mucociliary system in the maxillary sinus (Lindberg et al). 1988;99:401-7
Neutralization tests
Provocation-neutralization: a two-part study. Part I: the intracutaneous provocative food test—a multi-center comparison study (King et al). 1988;99:263-71
Provocation-neutralization: a two-part study. Part II: subcutaneous neutralization therapy—a multi-center study (King et al). 1988;99:272-7
Nocardia asteroides
Nocardia asteroides cervical osteomyelitis in an immunocompetent host (Rosendale et al). 1988;99:334-7 (Case rep.)
Nose, physiology
Eustachian tube and nasal function during pregnancy: a prospective study (Derkay). 1988;99:558-66
Nystagmus
Periodic alternating nystagmus (DiBartolomeo and Yee). 1988;99:552-7

O

Oculomotor nerve, abnormalities
ENG-MRI correlates in cerebellar oculomotor dysfunction (Hamid et al). 1988;99:302-8
Orbital neoplasms
Use of the CUSA in removal of a recurrent intraorbital mucocele (Gillespie et al). 1988;99:71-2 (Case rep.)
Oropharynx, pathology
So-called hairy polyp resembling an auricle (Kanzaki et al). 1988;99:424-6 (Case rep.)
Ossicular replacement prosthesis
Carbon-carbon middle ear prosthesis: a preliminary clinical human trial report (Podoshin et al). 1988;99:278-81
Osteomyelitis
Nocardia asteroides cervical osteomyelitis in an immunocompetent host (Rosendale et al). 1988;99:334-7 (Case rep.)
Otitis media, drug therapy
Antimicrobial prophylaxis for recurrent otitis media (Leonetti and Stankiewicz). 1988;99:81-2 (Drug/device)
Otoscope
New pneumatic adapter for a battery-powered otoscope (Zusho). 1988;99:79-80 (Drug/device)

P

Palate, soft, pathology
Metastasizing pleomorphic adenoma arising in the soft palate (Wermuth et al). 1988;99:505-8 (Case rep.)
Squamous cell carcinoma of the soft palate, uvula, and anterior faucial pillar (Weber et al). 1988;99:16-23

Papillary adenocarcinoma; *see* **Adenocarcinoma, papillary**
Papillary carcinoma; *see* **Carcinoma, papillary**
Papillomaviruses
Head and neck squamous cell carcinomas associated with human papillomaviruses and an increased incidence of cervical pathology (Lee et al). 1988;99:296-301
Paraganglioma
Glomus vagale tumors (Davidson and Gullane). 1988;99:66-70 (Case rep.)
Parotid gland, surgery
Problems with reoperation of the parotid gland and facial nerve (Conley). 1988;99:480-8
Parotid neoplasms
Primary Kaposi's of an intraparotid lymph node in a non-immunocompromised patient (Josephson et al). 1988;99:341-3 (Case rep.)
Pectoralis muscles
Breast cancer with a pectoralis major myocutaneous flap (Maas et al). 1988;99:594-6 (Case rep.)
Pediatrics
Lingual abscess presenting as airway obstruction in the infant (Sanders et al). 1988;99:334-5 (Case rep.)
Pediatric glomus tumors (Bartels and Gurucharri). 1988;99:392-5
Plunging ranula in an infant (Matt and Crockett). 1988;99:330-3 (Case rep.)
So-called hairy polyp resembling an auricle (Kanzaki et al). 1988;99:424-6 (Case rep.)
Subcutaneous fat necrosis in infancy (Lusk and Greiman). 1988;99:520-3 (Case rep.)
Unilateral sensorineural deafness in children (Kielmovitch and Friedman). 1988;99:548-51
Perilymph
Chronic perilymphatic fistula: experimental model in the guinea pig (Flint et al). 1988;99:380-8
ECoG results in perilymphatic fistula: clinical and experimental studies (Arenberg et al). 1988;99:435-43
Perilymphatic hypertension (Paparella et al). 1988;99:408-13
Peripheral nerves, injuries
Repair of severed peripheral nerve: a superior anatomic and functional recovery with a new "reconnection" technique (Wikholm et al). 1988;99:353-61
Pharyngeal neoplasms
Occult medullary carcinoma of the thyroid presenting as neck and parapharyngeal metastases (Pearlman et al). 1988;99:509-12 (Case rep.)
Pharynx, surgery
Experience with surgical management of velopharyngeal incompetence (Crockett et al). 1988;99:1-9
Free bowel autografts in pharyngoesophageal reconstruction: colon revisited (Modica and Thur de Koos). 1988;99:73-5 (Case rep.)
Photosensitization
In vitro photosensitization of human head and neck squamous cancer cells by dihematoporphyrin-ether (Sprik et al). 1988;99:28-37
Pleomorphic adenoma; *see* **Adenoma**
Polyps
So-called hairy polyp resembling an auricle (Kanzaki et al). 1988;99:424-6 (Case rep.)
Positive pressure respiration
Obstructive sleep apnea, continuous positive airway pressure, and surgery (Powell et al). 1988;99:362-9
Pregnancy
Eustachian tube and nasal function during pregnancy: a prospective study (Derkay). 1988;99:558-66
Program issue
Program issue. 1988;99:86-262
Provocation-neutralization; *see* **Neutralization tests**

R

Ranula
Plunging ranula in an infant (Matt and Crockett). 1988;99:330-3 (Case rep.)
Reflex
Laryngeal reflex mechanism during deglutition—observation of subglottal pressure and afferent discharge (Shin et al). 1988;99:465-71
Reflex, vestibulo-ocular
Abnormal oculovestibular response (Meyerhoff). 1988;99:24-7

S

Salivary gland diseases
Salivary gland lymphoproliferative disease in acquired immune disease (De Vries et al). 1988;99:59-62 (Case rep.)
Salivary gland neoplasms
Salivary choristomas in the neck (Nash et al). 1988;99:590-3 (Case rep.)
Sarcoma
Radiation-induced sarcoma of the skull: a case report (Garner et al). 1988;99:326-9 (Case rep.)
Sarcoma, Kaposi's
Primary Kaposi's of an intraparotid lymph node in a non-immunocompromised patient (Josephson et al). 1988;99:341-3 (Case rep.)
Sensorineural deafness; *see* **Hearing loss, sensorineural**
Sinusitis
Cryptococcal sinusitis: a case report and review of literature (Choi et al). 1988;99:414-8 (Case rep.)
Skull, pathology
Intracranial and intratemporal meningiomas with primary otologic symptoms (Kumar et al). 1988;99:444-54
Skull, physiology
Human skull vibratory patterns in audiometric and supersonic ranges (Dunlap et al). 1988;99:389-91
Skull, surgery
Detachable angiographic balloon catheter in skull base surgery (Miyamoto et al). 1988;99:46-9 (Case rep.)
Skull neoplasms
Detachable angiographic balloon catheter in skull base surgery (Miyamoto et al). 1988;99:46-9 (Case rep.)
Radiation-induced sarcoma of the skull: a case report (Garner et al). 1988;99:326-9 (Case rep.)
Sleep apnea syndromes
Obstructive sleep apnea, continuous positive airway pressure, and surgery (Powell et al). 1988;99:362-9
Smoking
Is chronic gastroesophageal reflux a causative factor in glottic carcinoma? (Morrison). 1988;99:370-3

Soft tissue neoplasms
Choristomas of the intraoral soft tissues (West and Atkins). 1988;99:528-30 (Case rep.)
Speech
Experience with surgical management of velopharyngeal incompetence (Crockett et al). 1988;99:1-9
Speech, alaryngeal
An endostomal tracheostomy tube for leakproof retention of the Blom-Singer stomal valve (Barton et al). 1988;99:38-41
Squamous cell carcinoma; *see* **Carcinoma, squamous cell**
Subcutaneous fat necrosis; *see* **Fat necrosis**
Subcutaneous injections; *see* **Injections, subcutaneous**
Suction
Use of the CUSA in removal of a recurrent intraorbital mucocele (Gillespie et al). 1988;99:71-2 (Case rep.)
Supraglottic neoplasms; *see* **Laryngeal neoplasms**
Surgical flaps
Breast cancer with a pectoralis major myocutaneous flap (Maas et al). 1988;99:594-6 (Case rep.)
Experience with surgical management of velopharyngeal incompetence (Crockett et al). 1988;99:1-9
Tracheostomal reconstruction with the latissimus dorsi myocutaneous flap (Granick et al). 1988;99:427-9
Surgical instruments; *see also* **Equipment and supplies**
Modification of horizontal jaws of alligator forceps (Haberman). 1988;99:346-7 (Drug/device)
Syphilis
Management of vertigo in patients with syphilis: Is endolymphatic shunt surgery appropriate? (Shih et al). 1988;99:574-7

T

Temporal bone
Intracranial and intratemporal meningiomas with primary otologic symptoms (Kumar et al). 1988;99:444-54
The lateral facial approach to the nasopharynx and infratemporal fossa (Gates). 1988;99:321-5
Thyroglossal cyst
Papillary carcinoma arising in a thyroglossal duct cyst (McNicoll et al). 1988;99:50-4 (Case rep.)
Thyroid hormones
Primary tissue cultures of benign and malignant human thyroid tumors: effect of TSH (Komlos et al). 1988;99:10-5
Thyroid neoplasms
Ectopic thyroid in the retroesophageal superior mediastinum (Arriaga and Myers). 1988;99:338-40 (Case rep.)
Occult medullary carcinoma of the thyroid presenting as neck and parapharyngeal metastases (Pearlman et al). 1988;99:509-12 (Case rep.)
Papillary carcinoma arising in a thyroglossal duct cyst (McNicoll et al). 1988;99:50-4 (Case rep.)
Primary tissue cultures of benign and malignant human thyroid tumors: effect of TSH (Komlos et al). 1988;99:10-5
Thyroiditis
The CT findings of acute thyroiditis and acute suppurative thyroiditis (Bernard et al). 1988;99:489-93
Thyroiditis, suppurative
The CT findings of acute thyroiditis and acute suppurative thyroiditis (Bernard et al). 1988;99:489-93
Tissue culture
Primary tissue cultures of benign and malignant human thyroid tumors: effect of TSH (Komlos et al). 1988;99:10-5
Tomography, x-ray computed
Computed tomography and magnetic resonance imaging of the inner ear (Jackler and Dillon). 1988;99:494-504
The CT findings of acute thyroiditis and acute suppurative thyroiditis (Bernard et al). 1988;99:489-93
Deep spread patterns in CT staging of T_{2-4} squamous cell laryngeal carcinoma (Isaacs et al). 1988;99:455-64
Tongue, pathology
Lingual abscess presenting as airway obstruction in the infant (Sanders et al). 1988;99:344-5 (Case rep.)
Tonsillar neoplasms
Squamous cell carcinoma of the soft palate, uvula, and anterior faucial pillar (Weber et al). 1988;99:16-23
Touch
Vibrotactile device in patients with single-channel cochlear implant: a preliminary study (Rose et al). 1988;99:42-5
Tracheal diseases
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)
Tracheal neoplasms
Tracheostomal reconstruction with the latissimus dorsi myocutaneous flap (Granick et al). 1988;99:427-9
Tracheostomy
An endostomal tracheostomy tube for leakproof retention of the Blom-Singer stomal valve (Barton et al). 1988;99:38-41
Obstructive sleep apnea, continuous positive airway pressure, and surgery (Powell et al). 1988;99:362-9
Tracheotomy
Disposable inner cannula tracheotomy tube: a prospective clinical trial (Johnson et al). 1988;99:83-4 (Drug/device)
Transplantation, autologous
Free bowel autografts in pharyngoesophageal reconstruction: colon revisited (Modica and Thur de Koos). 1988;99:73-5 (Case rep.)
Transplantation, homologous
Mechanical properties of septal cartilage homografts (Glasgold et al). 1988;99:374-9
Tuberculosis
Airway obstruction secondary to tuberculosis lymph node erosion into the trachea: drainage via bronchoscopy (Schwartz et al). 1988;99:604-6 (Case rep.)
Tumor cells, cultured
Primary tissue cultures of benign and malignant human thyroid tumors: effect of TSH (Komlos et al). 1988;99:10-5
Tumors; *see* **Neoplasms**
Tympanometry; *see* **Acoustic impedance tests**
Tympanoplasty
Carbon-carbon middle ear prosthesis: a preliminary clinical human trial report (Podoshin et al). 1988;99:278-81

U

Ultrasonics
Human skull vibratory patterns in audiometric and supersonic ranges (Dunlap et al). 1988;99:389-91
Use of the CUSA in removal of a recurrent intraorbital mucocele (Gillespie et al). 1988;99:71-2 (Case rep.)

Uvula, pathology
Squamous cell carcinoma of the soft palate, uvula, and anterior faucial pillar (Weber et al). 1988;99:16-23

V

Vasoactive intestinal peptide
VIP potentiates cholinergic effects on the mucociliary system in the maxillary sinus (Lindberg et al). 1988;99:401-7
Veins, surgery
Implantable venous access device: use in patients with advanced head and neck cancer (Gruber et al). 1988;99:578-83
Velopharyngeal insufficiency
Experience with surgical management of velopharyngeal incompetence (Crockett et al). 1988;99:1-9
Vertigo
Abnormal oculovestibular response (Meyerhoff). 1988;99:24-7
Management of vertigo in patients with syphilis: Is endolymphatic shunt surgery appropriate? (Shih et al). 1988;99:574-7
Why do vestibular destructive procedures sometimes fail? (Monsell et al). 1988;99:472-9
Vestibular apparatus
Abnormal oculovestibular response (Meyerhoff). 1988;99:24-7
Why do vestibular destructive procedures sometimes fail? (Monsell et al). 1988;99:472-9
Vestibular nerve, pathology
Complications of translabyrinthine vs. suboccipital approach for acoustic tumor surgery (Mangham). 1988;99:396-400
Vibration
Human skull vibratory patterns in audiometric and supersonic ranges (Dunlap et al). 1988;99:389-91
Vibrotactile device in patients with single-channel cochlear implant: a preliminary study (Rose et al). 1988;99:42-5
Voice prosthesis; *see* **Larynx, artificial**
